DETAILED ACTION

1. Claims 1 – 12 are pending.

Allowable Subject Matter

2. Claims 1 – 12 are allowable.

Examiner's Statement of Reasons for Allowance

3. The following is an examiner's statement of reasons for allowance:

Independent claim 1 is allowable over prior art of record because the examiner found neither prior art cited in its entirety, nor based on the prior art found any motivation to combine any of said prior art. The following limitations were not found in the prior art of record.

connecting together a subtractive routing port of each of said first edge expander and said second edge expander for enabling communications between each of said plurality of SAS devices via said first ports and said second ports of said plurality of SAS devices.

Claims 2 – 6 are allowable as associated independent claim 1 is allowable.

Independent claim 7 is allowable over prior art of record because the examiner found neither prior art cited in its entirety, nor based on the prior art found any motivation to combine any of said prior art. The following limitations were not found in the prior art of record.

Said subtractive routing ports of said first edge expander and said second edge connected together for enabling communications between each said plurality of SAS devices via said first ports, and said second ports of said plurality of SAS devices.

Claims 8 - 10 are allowable as associated independent claim 1 is allowable.

Said subtractive routing ports of said first edge expander and said second edge connected together for enabling communications between each said plurality of SAS devices via said first ports, and said second ports of said plurality of SAS devices.

Claim 12 is allowable as associated independent claim 11 is allowable.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
